

RoHS II/III – Declaration of Conformity

The directives 2011/65/EU (RoHS II) and 2015/863/EU (RoHS III) of the European Union are regulating the restricted usage of certain hazardous substances in electrical and electronic equipment.

We declare, that our products are conform with RoHS 2011/65/EU and 2015/863/EU.

Following substances shown below with a concentration level above the permitted maximum are not included in our products:

- 0,1 Gew. % for lead (Pb)
- 0,1 Gew. % for mercury (Hg)
- 0,1 Gew. % for chromium VI
- 0,1 Gew. % for polybrominated biphenyle (PBB)
- 0,1 Gew. % for polybrominated diphenyl ethers (PBDE, OBDE, DBDE)
- 0,01 Gew. % for cadmium (Cd)
- 0,1 Gew. % diisobutyl phthalate (DIBP)
- 0,1 Gew. % butyl benzyl phthalate (BBP)
- 0,1 Gew. % dibutyl phthalate (DBP)
- 0,1 Gew. % bis(2-ethylhexyl) phthalate (DEHP)

REACH – Statement (ECHA-List: 10.06.2022)

REDUR GmbH & Co. KG is manufacturer of electrical products. Thus - in the sense of REACH - the company is a so-called „downstream user“. For this reason REDUR is not legally bound for the registration nor for the creation of any material safety data sheets.

In the case of one of our products should contain substances which will be classified by the European Agency for Chemicals (ECHA) with high concern, we will immediately inform you according to REACH - Article 33. Based on the current status, we do not expect such an event should happen.
